PSPC	Windspray
PSPC	Charcoal
PSPC	Woodland Grey
PSPC	Jasper
PSPC	Merino
PSPC	Wheat
PSPC	Beige
PSPC	Smooth Cream
PSPC	Surf Mist

Application • Polyslab Pump Covers are well suited for the majority of applications including increasing use with submersible bore pumps (simply cut a hole in the base and house sensitive electrical components under the cover).

Recommended for • Protecting pumps from environmental elements and raising pumps off the ground

FEATURES

- Matching base included
- Lightweight & stackable design
- Easy to install
- UV stabilised & water resistant
- Multiple footing points to secure cover to base
- Emergency water duct allowing water to escape in case pipe failure

Available in 11 colours.
