

PUREMIX Z7 Water Filter

A	B	Depth
90 mm	413 mm	77 mm

GENERAL INFO

MAINS, RAIN, HARSH AND RURAL WATER SUPPLY

High Flow Inline Undersink Filter System

The PureMix Z7 system is designed specifically for applications with higher sediment and harsher water quality such as rural supplies, areas with older pipe infrastructure and rainwater. With 3 levels of filtration, the PureMix Z7 filters out sediment, rust and dirt down to 1 micron*. Bad taste, odour, chlorine and other chemicals leaving healthy, great tasting, clean, safe and pure water.

SPECIFICATIONS

Model Number:	PUREMIX-Z7
Replacement Cartridge:	Z7-R
Flow Rate:	9.5 Lpm
Min/Max Temperature:	0 - 38°C (protect from freezing)
Min/Max Pressure:	200 - 520~ kPa
Micron Rating:	1 micron*
Capacity:	60,560 litres
Connection:	½" BSP [15 mm]
Approximate Space Required:	
Vertical Mounting:	500 mm (h) x 215 mm (w)
Horizontal Mounting:	215 mm (h) x 500 mm (w)
Warranty:	10 years^

Important Note: Use only genuine Puretec replacement cartridge. ^10 year warranty is 1 year parts and labour, plus 9 years parts only. Excludes cartridges. *Micron Rating is nominal. ~If pressure exceeds 500 kPa an approved pressure limited device must be installed.

FEATURES & BENEFITS

- Specifically designed for mains, rain, harsh and rural water supply.
- With the introduction of Z Plus Technology, this Z7 cartridge has the ability to inhibit bacterial growth.
- Provides pure, safe, filtered water, free of chlorine and harmful cysts.
- Sediment, dirt, rust and other particles filtered down to 1 micron including Giardia and Cryptosporidium cysts*.
- No need for a separate filter tap.
- Quick and easy installation, ideal for stone bench tops. Mounts horizontally or vertically - no shelf cutouts required.
- Incorporates Anti-scaling protection.

+ Please note, this product may not be suitable if you have concerns about bacteria such as E. coli in your water. Contact us for a solution.

ADDITIONAL INFORMATION

Valve-in-head technology

Puretec provides a complete kit for standard installation and has introduced valve-in-filter head technology, which means the cartridge can be quickly and easily changed without having to turn off the water supply.

Filters as easy to change as a light globe

The Puretec PureMix Z7 quick-change cartridge can be easily replaced - just like changing a light globe. It also incorporates Puretec's long life filter technology, so you can go longer between filter replacements, and comes with our ^10 Year Platinum Protection Warranty.

No extra tap required - fits any standard mixer tap

The PureMix Z7 installs under your existing kitchen bench and uses your current tap. This unit can be installed vertically or horizontally, so it won't clutter up your cupboard.

PUREMIX-Z7 FILTRATION TECHNOLOGY

Stage 1

- Removes particles.
- Clarifies the water.
- Removes sediment, rust, sand, silt & algae.

Stage 2

- Reduces chlorine and other chemicals.
- Eliminates bad taste and odours.

Stage 3

- Antibacterial technology inhibits bacterial growth within the system, whilst the 1 micron* rating offers protection from cysts such as Cryptosporidium and Giardia.
- Incorporates Anti-scaling protection.
